

SUSTAINABLE LIVING AND FAMILY ADVENTURE IN THE ECUADORIAN CLOUDFOREST

ABOUT THE PROJECT

Welcome to Cloudforest Conservation Reserve, a private nature reserve dedicated to protecting the cloudforest and promoting sustainable agriculture.

Located in the heart of Ecuador, our 5-day family programme is designed for those looking to immerse themselves in local culture, contribute to environmental conservation, and learn about sustainable living.

More info at [workingabroad.com](https://www.workingabroad.com)

Volunteer & Contribute

Immerse your family in Ecuadorean culture and history as you explore the tropical natural environment of our reserve. Each day brings a new adventure, from horseback riding to experiencing a natural water slide.

Learn & Discover

Participate in hands-on activities such as organic farming, reforestation, and caring for farm animals. Your efforts directly contribute to our sustainable practices and the ongoing preservation of the cloudforest in the region.

Family-Friendly Stays

Our programme is packed with educational opportunities tailored for both children and adults. Learn about the cloudforest ecosystem, sustainable living, and local cultural practices.

WHY CHOOSE WORKINGABROAD

- Your visit supports critical initiatives like cloudforest preservation and tree planting, offering a profound experience beyond tourism.
- Your stay enables us to continue vital work in habitat reforestation, directly benefiting the local ecosystem and community.
- Embrace Ecuadorean culture, explore the unique cloudforest environment, and create unforgettable family memories that last a lifetime.
- To book your family's place in our sustainable living project, contact us at: victoria.mcneil@workingabroad.com

CONSERVATION AND FAMILY ADVENTURE IN THE ECUADORIAN CLOUDFOREST

 **WORKINGABROAD**
TAKE ACTION FOR NATURE AND SOCIETY

YOUR JOURNEY

More info at [workingabroad.com](https://www.workingabroad.com)

Your family could experience living in the beauty and rich culture of Ecuador with a hands-on conservation experience at the Cloudforest Conservation Reserve, a private nature reserve dedicated to the protection of the cloudforest and sustainable agriculture. This programme is perfectly designed for families to learn, volunteer, and explore the rich Ecuadorean environment in a condensed 5-day adventure.

5-Day, 5-Night Family Programme

Suitable for families with children 2+ years.

FAMILY PROGRAMME ITINERARY

Day 1: Arrival and orientation, tour of the reserve, introduction to projects, and basic Spanish class to help you throughout your stay.

Day 2: Morning Spanish lesson, forest adventure on horseback, reforestation activities, and cultural evening with a bonfire.

Day 3: Early morning farm activities including milking and organic gardening, followed by a workshop on making chocolate and coffee from scratch.

Day 4: Hike to the highest point of the reserve for ecosystem observation and seed collection, seed planting in the nursery.

Day 5: Final Spanish lesson and choice of activities tailored to your interests, from relaxing to participating in volunteer work, concluding with a farewell dinner.

Day 6: Departure to Quito or other destinations, with support for luggage transport.

 **Price:** £390 per adult or £200 per child under 12 years of age.
