

# AN UNFORGETTABLE FAMILY ADVENTURE WITH ELEPHANTS IN LAOS

## ABOUT THE PROJECT

Welcome to the Elephant Volunteer Project in Laos, a beating heart of elephant conservation. Nestled in Sayaboury, home to 80% of Laos' elephant population, our project offers an opportunity for families to connect with nature and contribute to the conservation of these majestic creatures.

Join us for an enriching family volunteer programme designed to forge unforgettable bonds, both within your family and with nature's gentle giants.

### Eco Volunteering

Tailored for families, this programme offers an ethical elephant conservation experience. Learn about elephant care, the importance of biodiversity, and the critical role of conservation efforts—all while making a tangible difference.

### Education & Engagement

Our programme is packed with educational activities that are fun and engaging for children and adults alike. It's an opportunity to learn about sustainable living, wildlife conservation, and the importance of ecosystems in a family-friendly environment.

### Family-Friendly Stays

Our Forest Lodge is designed with families in mind. Enjoy the comfort of private rooms, ample space for family time, and stunning views of the surrounding nature. Packages are all-inclusive of activities and meals tailored for families.

## WHY CHOOSE WORKINGABROAD

- Every visit supports our conservation efforts, providing a meaningful experience that extends beyond just a holiday.
- Your stay contributes to the Elephant Breeding and Rewilding Programs, helping ensure a brighter future for these majestic animals.
- Connect with nature, learn about conservation, and make memories that will last a lifetime.

## 3-Day, 2-Night Discovery

**Starts on every Monday**

\*Set off on a short but impactful journey with your family, into the world of elephant conservation. This programme is perfect for those looking to immerse themselves in the natural habitat of elephants, learn about conservation efforts, and have experiences with these magnificent animals.

**Day 1:** Arrival and welcome, introduction to the project and its mission. Enjoy a scenic boat trip and settle into your accommodation. Experience your first close encounter with the elephants during their bathing time.

**Day 2:** Spend the morning with the elephants in the forest, observing their natural behaviors and participating in conservation activities. Afternoon visits to the elephant nursery and veterinary hospital offer a deeper understanding of care efforts.

**Day 3:** Visit the Male Elephants Socialisation Area to observe male group dynamics, followed by a tour of the Information Center to deepen your knowledge about elephant biology and conservation. Conclude with a heartfelt farewell and return to Luang Prabang by minivan.

## 7-Day, 6-Night Eco Volunteering

**Starts on the 1st and 3rd Monday of each month**

For families looking to engage with our conservation efforts, this programme offers an opportunity to contribute, learn, and bond. This comprehensive experience includes extensive educational activities, direct participation in our conservation projects, and intimate time with the elephants.

**Days 1-3:** Follow the Discovery itinerary for an introduction to the center, its elephants, and initial conservation activities. (\*see 3D2N itinerary)

**Days 4-6:** Dive into volunteer projects, such as habitat restoration and elephant diet studies. Participate in workshops and more in-depth conservation tasks. Enjoy cultural exchanges and learn about Laos's rich heritage.

**Accommodation Note:** Families opting for the 7D6N stay will be accommodated in our comfortable family forest lodge with private rooms for extra comfort.

 **Price:** Please enquire for family packages and pricing.
